## Chair Talk

Greetings Fellow GWAC Members and Logisticians! This issue of the Oracle Newsletter features, among other things, the final, approved Election Ballot for 2005-2006; results from our GWAC Luncheon Social; and a Supply Chain Management Article in reference to Wal-Mart.

## GWAC BoD Election Ballot Submission Procedures

The GWAC Board of Directors (BoD) Nomination and Election season is upon us. You can find an approved FY 2006 (Oct 05- Oct 06) ballot on page 9. We will be mailing the ballot to your address. Please return the ballot to the address noted on the ballot as soon as possible. You can also save a stamp and bring your completed ballot to the May (25<sup>th</sup>) or June (29<sup>th</sup>) luncheon at the Fort Myer O'Club. In order for us to validate your vote, please don't forget to annotate your SOLE member number and signature to the ballot. Thanks for participating.

## GWAC Membership Social held 18 May

Your GWAC BoD hosted its third annual GWAC Membership Social this month at your Chapter Chair's house in Alexandria, VA. It was a highly successful and participative event with nearly 20 active and prospective GWAC members in attendance. There was plenty of beer, wine, food and great conversation to go around. The party started early and ended late as usual. I was pleased with the turnout and the mix of logisticians with varying backgrounds and experience in the group. I would like to express my sincere appreciation to BJ Silvey who purchased and delivered most of

the food, wine and beer and for Joyce McCallister who baked a lemon lime pie and Mary Johnston who baked some of the most delicious brownies I've ever tasted. We have plenty of beer, wine and food left over from the social so we will be holding the next two BoD meetings at Chapter Chair Dave Floyd's house to finish the leftovers. Members are invited to attend.

## 25 May GWAC Luncheon

The Guest Speaker for our 25 May GWAC Luncheon is Mr. Gary Anderson, Logistics Director of the U.S. Army Corps of Engineers, who will be giving a presentation on the "US Army Corps of Engineers Challenges with Logistics Implications". The luncheon will be held at the Fort Myer Officer's Club in Arlington, VA. The Fife and Drum Glass room in the main dining area has been reserved for the luncheon. See the Luncheon Flyer on page 11. For reservations contact [www.bunny street.com](http://www.bunny street.com).

## DCEAS Council Meeting

May 5, 2005, after a quorum was established, the President (Sue Parsons) made a few introductory remarks and passed on her time to a discussion on MIST (Minorities in Science and Technology, <http://www.gwu.edu/~mist/>). Dr Gregory Mitchell, the director of MIST, noted that due to scheduling and budgetary constraints, we will have to reschedule the event until the spring of 2006. Extensive talk ensued over possible venue sponsors for next year and the need for a strategic plan and request for support. The DCCEAS President then handed out results of a brainstorming session held at last month's meeting concerning speakers and meeting presenters for the upcoming operation year (Sep 05- Aug 06) DCCEAS Treasurer, John Wall, Jr., reported a current balance of \$9864.87 in the checking account – a decline of almost \$2000 from same time period in 2004. The President mentioned that a new member submitted an application to join the DCCEAS, the Society of Hispanic Professional

Engineers ([www.shpe.org](http://www.shpe.org)). A formal letter will be drawn up to send to President of NAE, Mr. Bill Wulf, requesting that DCCEAS be allowed to keep having meetings at NAS Building. Election of FY06 executive directors was then held with the following results: President - Issa Khozeimeh; Vice President – Saj Durrani; Secretary – Mike Connor; and Treasurer – John Wall. Sue Parsons, Nahid Khozeimeh, and Howard Gibbs were elected directors.

**Chapter Website.** We have now hit over 5000 distinct web site visits in just over year. Again, the GWAC start, career assistance, programs, and newsletter web pages remain the most visited gwacsole.org sites as shown below. Keep visiting and visit often! Contact the webmaster at [webmaster@gwacsole.org](mailto:webmaster@gwacsole.org) with your comments and/or input. Files added during the last month to the functional areas include the following:

## VC Programs

by Joyce McCallister, CPL at [mccallisterj@comcast.net](mailto:mccallisterj@comcast.net)

The Guest Speaker for our 25 May GWAC Luncheon is Mr. Gary Anderson, Logistics Director of the U.S. Army Corps of Engineers, who will be giving a presentation on the "US Army Corps of Engineers Challenges with Logistics Implications". The Fife and Drum Glass room in the main dining area has been reserved for the luncheon. See the Luncheon Flyer on page 11. For reservations contact [www.bunnystreet@yahoo.com](mailto:www.bunnystreet@yahoo.com).

## VC Technical

By Gary Glick at [glickg@starpower.net](mailto:glickg@starpower.net)

### GWAC Study Group for May CPL Exam

GWAC held its Final CPL study group session on Tuesday evening, 2 May, 2005. Sessions were held weekly at The Presidential Tower, 2511 Jefferson Davis Highway, Suite 11500, Crystal City, VA. (a short walk from the Crystal City metro stop). Your Chapter Chair Dave Floyd and Mr. Doug White participated in taking the eight hour exam. Gary Glick, the GWAC VC for Technical, proctored the exam.

## SOLE Searchers

Check out the updated "Jobs" page hyperlink at the GWAC Web site at [www.gwacsole.org](http://www.gwacsole.org). or contact Linc Hallen at 301-460-5060.

## New GWAC Member Bio

**Vince Pryke** has joined the Greater Washington Area Chapter of SOLE from the Australian Army. On exchange with the US Army Logistic Management College up until January 2004, he elected to migrate to the US and is

now on terminal leave looking for employment opportunities in DC. He has spent 22 years in the Royal Australian Electrical and Mechanical Engineers as a multifunctional logistician and more recently (last 7 years) he has focused on acquisition. While a course director at the Army Logistic Management College, he completed the Florida Institute of Technology MS - Materiel Acquisition Management and is hoping to find a niche in acquisition, focused on ILS or PBL.

## DoN Acquisition and Capabilities Handbook Published

On 17 February 2005, the Department of the Navy Acquisition and Capabilities Guidebook was published. Structured after the new SECNAVINST 5000.2C, it contains information from the SECNAVINST and provides greater detail on the mandatory acquisition policies from a variety of references. The guidebook also provides additional information to assist in distinguishing between mandatory and discretionary acquisition guidance. The Guidebook can be found on the Defense Acquisition Website at <http://akss.dau.mil/jsp/default.jsp> under the "AKSS" menu, select "Policy Documents," select "Organizations," and click on "Navy/Marine Corps Common." Then click on "Go to list of Discretionary Documents," and "DON Acquisition and Capabilities Guidebook."

## **BoD Meeting Minutes**

### **CALL TO ORDER:**

GWAC Chapter Chair Dave Floyd called the meeting to order at 5:45p.m. on 13 May, 2005 at Hamburger Hamlet in Crystal City.

### **CHAPTER OFFICERS PRESENT:**

Dave Floyd	Chair
Mike Connor	VC Operations
Mary Johnston	VC Administration
BJ Silvey	BoD Member Elect
Ken Gary	BoD Member Elect
Richmond Miller	BoD Member Elect
LCDR Ron Hooks	GWAC Member

### **OLD BUSINESS:**

**Past Minutes.** The Board of Directors (BoD) reviewed and recommended approval of the March 2005 BoD Meeting minutes.

### **VC/COMMITTEE REPORTS:**

#### **VC FINANCE:**

Mr. BJ Silvey provided current financial numbers for the Month of April (See page 3).

#### **VC OPERATIONS:**

Mr. Mike Connor provided an informal debrief of the 5 May DCCEAS meeting (read more about it on page 4). An updated GWAC Election Ballot has been prepared and is shown on page 13. It was reviewed for approval at the May BoD meeting and will be distributed in the May Oracle Newsletter and mailed out along with our annual survey form for voting on by Chapter members.

#### **VC PROGRAMS:**

**Luncheon Speakers.** The speaker for our May luncheon will be Mr. Gary Anderson, Logistics Director of the U.S. Army Corps of Engineers, who will be giving a presentation on the "US Army Corps of Engineers Challenges with Logistics Implications". Our Luncheon will be held at the Fort Myer Officer's Club. The Fife and Drum Glass room in the main dining area has been reserved for the luncheon. See the

Luncheon Flyer on page 14. Research on finding an off-base venue near a Metro was not successful. No place allows for 15 or fewer in a private room for less than \$20. VC Programs will keep an ear to the ground on other venues.

### **VC TECHNICAL:**

Chapter Chair Dave Floyd and Doug White took the CPL exam in May. The exam was held at the Florida Institute of Technology (FIT) building on Eisenhower Avenue in Alexandria, VA. Mr. Gary Glick volunteered and proctored the exam after some confusion about where the exam was to be given and who would be participating. A special thanks goes out to District Director Mike Connor who was able to get it straightened out at the last minute. An aspect of CPL preparation that should not be overlooked is a deliberate method for capturing, immediately after the exam, subject matter which came as a surprise to the self study group members. The coverage of the CPL exam, referenced course and technical materials, and technical program provisions of the Chapters and the Society in general need to be better coordinated.

### **NEW BUSINESS:**

BoD Member at Large Richmond Miller expressed interest in attending the next Friday morning Breakfast Club for Logisticians held in the Crystal City Underground Food Court hosted by John Martinez.

An MAL follow-up meeting was set up with SOLE HQ on 21 May at SOLE HQ to discuss MAL disbursements to Chapters resulting from MAL 2004 and 2005.

### **ADJOURNMENT:**

There being no further discussions, Chapter Chair Dave Floyd adjourned the meeting at 7:30 pm. The June BoD meeting will be held on 8 June at Chapter Chair Dave Floyd's house starting at 5:45 pm. GWAC members are welcome to attend.

# GWAC CHAPTER BOD ELECTION PROCESS

That time of the year has arrived – nomination of the new GWAC BoD for the next operating year. Here’s a timeline extract from the GWAC Policies and Procedures concerning BoD Elections. Think it over and if you are interested, submit your name and bio to the chapter ASAP. Make a difference and run for the BoD.

## **NOMINATIONS COMMITTEE CHAIR:**

Activate the Nominations Committee. Collect from present board members names of recommended replacements.	February Meeting
Develop nomination list.	March
Verify and screen list of candidates.	March
Prepare final list for Board approval.	April Meeting
Convey approved list and biographies to the Elections Committee Chairman.	April

## **ELECTIONS COMMITTEE CHAIR:**

Activate the Elections Committee.	March
Prepare ballots.	April
Receive approved list and biographies from the Nominations Committee Chairman.	April
Submit ballots and biographies for the May ORACLE.	April
Collect executed ballots at luncheons.	May and June
Collect executed mail-in ballots.	June
Assess validity of ballots.	June
Tally ballots and announce successful candidates.	June
Notify SOLE Executive Director and District Director.	NLT 15 days after luncheon
Convey sealed ballots to incumbent Vice Chair- Admin	June Luncheon

## **CHAPTER CHAIR:**

Prepare notice of election schedule for the April ORACLE.	February
Receive sealed ballots from Elections Committee Chair.	June Luncheon
Destroy sealed ballots	31 days after receipt

## Selected BoD Biographies

**David S. Floyd**, is in his 4th year as the GWAC Chapter Chair. He is the Newsletter Editor and he leads the CPL Study Group. Mr. Floyd has 25 years combined logistics engineering experience supporting the U.S. Navy. He is a retired Naval Reserve Surface Warfare Officer. Dave is employed by Booz Allen Hamilton as an Associate. He provides logistics and configuration management support for the USCG Rescue 21 Acquisition and Life Cycle Support Program. He was previously employed by CRC, EG&G and TMA Corporation where he provided logistics and configuration management support to NAVSEA over a 20 year period. Mr. Floyd holds a B.S. Degree in Government and Foreign Affairs from the University of Virginia and an M.S. Degree in Systems Engineering from George Mason University. He has been a member of the International Society of Logistics (SOLE) and the American Society of Naval Engineers (ASNE) since 1988. He has served as the Vice Chair Administration for the Ventura County SOLE Chapter of SOLE. He has also served five years on the Board of Directors for SOLE District's 2 Mid- Atlantic Log Committee as the Publicity Chair. Mr. Floyd received the SOLE Field Award for Configuration Management at the SOLE 2002 annual symposium. Mr. Floyd lives in Alexandria, VA and has a 19-year old daughter Jessica in College at UDel.

**Mary E. Johnston**, is the current Vice Chair--Administration. Mary is a career logistician with over 28 years of experience in a variety of logistics related areas. She served in the USAF as an aircraft maintenance officer on F-111E's, F-106's, F-4E's, F-15 C&D's and the T-33's. Mary served on active duty for 9 years before relocating to St Louis to work for McDonnell-Douglas. She left St Louis and moved to the Washington DC area in the early 90's and has worked for a number of local contractors since then. She lives in Spring-

field with her Fiancée, Tim and 18-year-old daughter, Jenny. She has a Bachelors of Arts Degree from California State University, Fresno, CA and a Masters of Science Degree from Vanderbilt University.

**CDR Ron Hooks, USCG (New Member)** currently serves as the Logistics Support Manager and Port Installation Officer for the Coast Guard Ports and Waterways Safety System major acquisition. In this capacity he is responsible for ensuring all logistics issues for the new Vessel Traffic Management system receive consideration, as well as planning and overseeing system installations in nine major U.S. ports. Prior to this assignment, he served as Comptroller for the Command and Control Engineering Center, Supply Officer for the Coast Guard Cutter Mellon, Budget Officer for the Fifth District Reserve Branch, and as an Electronics Technician on the Coast Guard Cutter Northland prior to attending Officer Candidate School. Ron received his Masters in Business Administration from Old Dominion University in May of 2002 and is currently preparing to sit for the PMI Project Management Professional certification test. He joined SOLE in May of 2004 and attended the 2004 Annual Conference as well as this years Mid-Atlantic Logistics conference. He is married with a 16 year old daughter and lives in King George, VA.

**B.J. Silvey, CPL** is a current Executive Board Member and former District Director. B.J. served for over 31 years in the US Army Quartermaster Corps, both in the active and reserve components, and retired as a Colonel. He has had extensive experience in logistics operations, supply, transportation and services management. His decorations include the Legion of Merit, Meritorious Service Medal with Oak Leaf Cluster, Bronze Star Medal, and Vietnamese Honor Medal, First Class. In his civilian career, he worked with industry and Government on Navy submarine and surface sonar and mine countermeasures systems. He was the ILS Manager for NAVSEA for the MK50

Torpedo from development through production and introduction. Subsequently, he was Director of Logistics, USW Combat Systems. He retired in September 1999. Recently, he was Chairman of Mid-Atlantic Logistics Conference 2000, sponsored by District Two, SOLE. He is a Senior Member of SOLE, a Certified Materiel Professional, a Member of Navy Acquisition Corps, and is DAWIA Level 3 in Logistics and Program Management. He has a BA in Secondary Education from Indiana University of Pennsylvania and an MA in Political Science from University of Maryland. He is a Graduate of the Army Command and General Staff College and the Army War College. He is an avid cyclist, BSA Commissioner, and serves on the Board of Directors of Reston Interfaith, the Board of Friends of the W&OD Trail and the Reston Triathlon Committee. BJ was awarded the SOLE Community Service Award in 2003.

**Michael D. Connor**, is the current VC-Operations and District 2 Director and former Vice Chair Administration. Mr. Connor has over 23 years of logistics experience in both the military and military contracting arena. Mike spent 12 years on active duty as an Armor Army Officer. This took him to The Federal Republic of Germany from 1982-1989 and Fort Devens, MA from 1989-1992. After leaving active duty, Mr. Connor moved to Washington, DC. There he began work as a logistics analyst with Logicon. This included travel to Germany, the Republic of South Korea along with several locations in the U.S. At Logicon, Mike provided systems engineering and technical assistance to the All Source Analysis System (ASAS) Program Office. In 1996, Mike accepted a position with MPRI and left for Bosnia-Herzegovina (BiH) under the auspices of the "Train and Equip" mission. He spent three years in BiH where he oversaw the arrival, transshipment, and storage of ma-

teriel donated to BiH. He also assisted in the subsequent distribution of same equipment to units of the BiH military. Lastly, he spearheaded a comprehensive inspection of all logistics organizations in the BiH military. Mr. Connor recently left a position at the Headquarters, Army Materiel Command as a Senior Logistics Analyst specializing in Performance-Based Logistics (PBL), Total Life Cycle Systems Management (TLCSM), and Force-Centric Logistics Enterprise (FLE). He currently works PBL, TLCSM, and FLE at the Assistant Secretary of the Army for Acquisition, Logistics, and Technology (ASA(ALT)). He has been a member of SOLE since 1993 and served as the GWAC SOLE Chapter Chair for the SOLE '96 Symposium.

**Gary Glick, CPL**, is the current Vice Chair Technical and Professional Development. Gary came to the Washington area defense contracting community in 1978 after five years in surface ships that taught him that everything comes down to logistics. In his first job at Northrop Services, a particularly enthusiastic mentor named Charlie Hymers introduced him to the world of professional engineering services and integrated logistics support. At Northrop Services, and later at ORI, Mr. Glick helped work out the maintenance and material support needs of the TRIDENT submarine, and went on to work logistics and life cycle cost for ships, aircraft, missiles, satellite communications, and finally Ballistic Missile Defense. His logistics experience spans every level, "from a classified depth to a classified altitude." Mr. Glick currently works on Cost and Operational Performance Trades for the evolving international Joint Strike Fighter program. Mr. Glick has been a member of the Society of Logistics Engineers since 1978, and has been active the Greater Washington Area Chapter since 1989 as CPL coordinator, Board member, and chairman of the Systems Management Track at the 1996 International symposium.

**Gary L. Anderson**

**Director of Logistics for the US Army Corps of Engineers**

**Topic: US Army Corps of Engineers Global Challenges with  
Logistics Implications**

Mr. Gary Anderson, Director of Logistics for the US Army Corps of Engineers, is responsible for supporting the World's premier public engineering organization in performing its global missions in peace and war. He has served as Director, Materiel Management for the US Army Armament Munitions and Chemical Command supporting Soldiers worldwide with weapons, repair parts, and individual items of equipment. He served as Director, Transportation and Traffic Management for the US Army Armament Munitions and Chemical Command and Single Manager for Conventional Ammunitions. He supported worldwide munitions training and readiness requirements including wartime for all military Services as the single focal point for munitions shipment coordination.

Other assignments include: Staff Officer at the Pentagon; Chief of Army Transportation Services, Canal Zone; Graduate of the Industrial College of the Armed Forces (Master of Science, Defense Resources Strategy); Distinguished Graduate Defense Acquisition Course; University of Puget Sound (Master of Public Administration; Seattle Pacific University; (BA, Administration and Management).

Special Programs Completed: US Army Logistics and Acquisition Management Program; Defense Leadership and Management Program and the Army Logistics Management Program.

Member Army Acquisition Corps

*Note: Research was conducted to find another venue not on a military base and near a Metro. We have been unable to find a place that accomodates us as well and at such a reasonable price as the Ft. Myer O'Club. Please provide suggestions if you know of another location option for our luncheons.*
